## Preface

This is a test project for Jupyter Book plugins,  
with a description. Sounds good..

# 1. Chapter 1

## 1.1 section 1

Here is a nice equation:

$$w_{t+1} = (1 + r_{t+1})s(w_t) + y_{t+1} \quad (1.1)$$

And here is a figure:

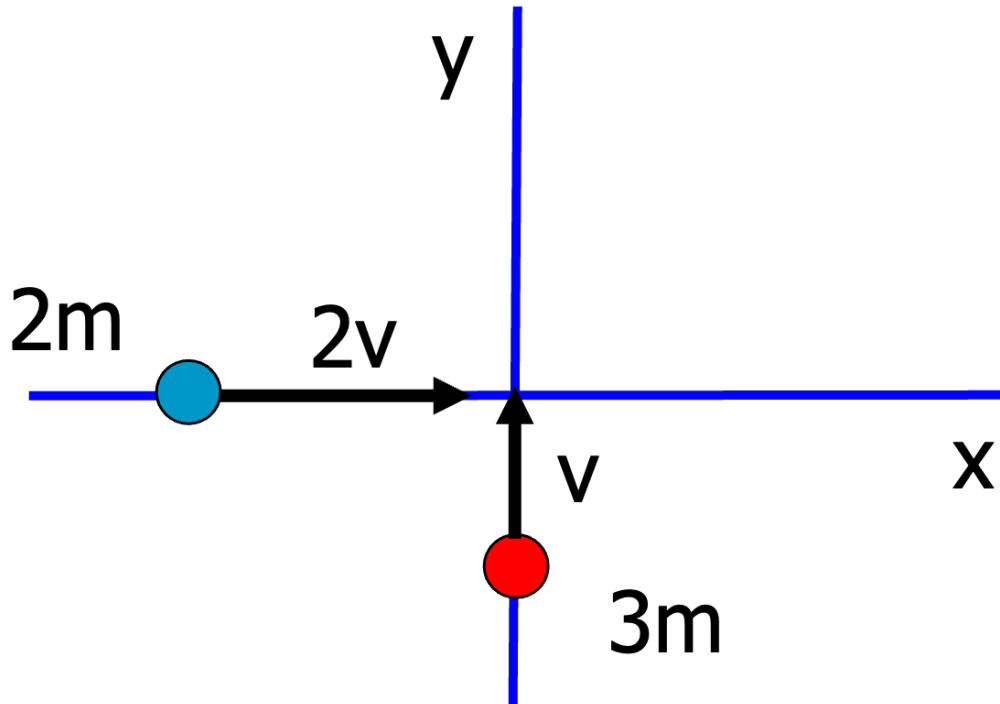

Figure 1.1: With a nice caption

### Note

This is a note!

## 1.2 section 2

A second section with a reference to equation (1) and Figure 1.

## 2. Chapter 2

### 2.1 section 1

$$w_{t+1} = (1 + r_{t+1})s(w_t) + y_{t+1} \quad (2.1)$$
